BIGJIGS® Toys
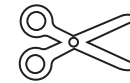

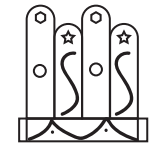

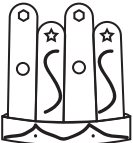

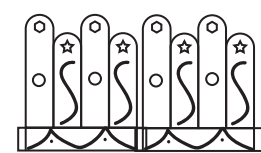

Paper Crown

Instructions:
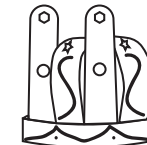

1 Print and cut two or three of these paper crowns.
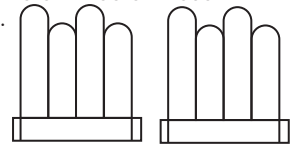

2 Colour in the crown. You can also decorate it with feathers, glitter and gems.

3 Glue the base of each crown to one another to create a circle.

Glue

4 Glue all of small tabs together.

Glue

5 Glue all of the longer tabs together and you have a crown!

Bunting

Instructions:

1 Print and cut out all of the triangles. You can print out as many as you want to make it longer!
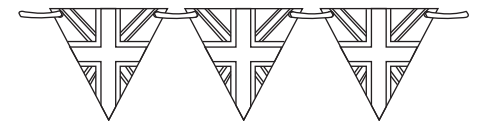

2 Colour in the bunting

3 Punch a hole either side of each triangle either with a hole punch or gentle put a pencil through.

**4** Thread some string through the holes to create your bunting.
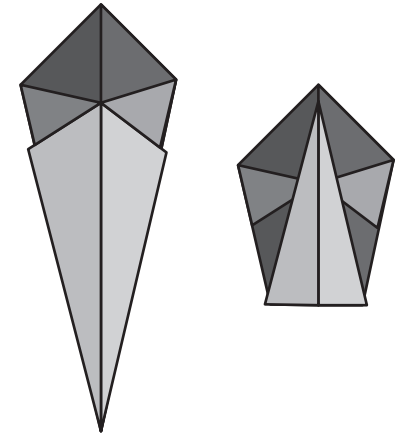

70

Origami Swan

**1** Take a square piece of paper and fold it in half from one corner to the other

**2** Fold two corners into the centre of the square

3 Flip over the diamond and fold the two corners into the centre again.
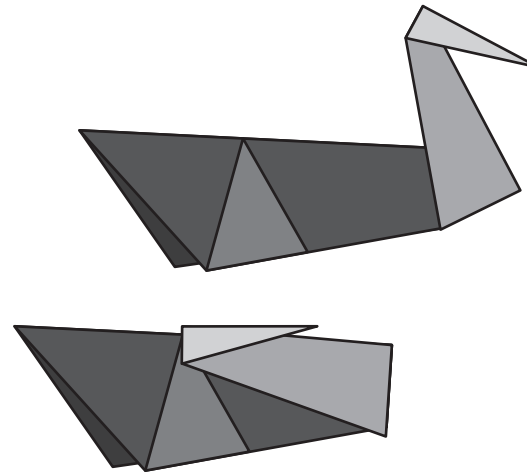

**4** Fold the bottom of the diamond up to the opposite point

5 Fold the top triangle to the centre to create the swans head

6 Flip over and fold the swan in half

7 Take the neck of the swan and bring it up and fold it to the angle that you want

8 Push the beack back half way to create a fold into itself
