

Ultimate Bucket List

To celebrate our new Silicone Bucket, Spade and Flyers can you help us find 12 ways to use them with this Bucket List.

Collect 3 pieces of rubbish in the bucket

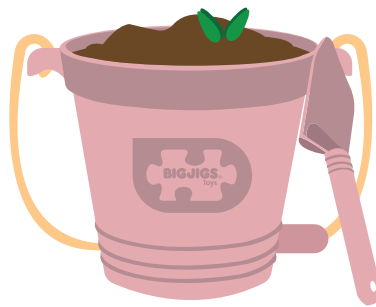

Balance a ball on the spade and see how far you can go

Fill your flyer with water and see how far you can carry it

Find something that floats in the bucket filled with water

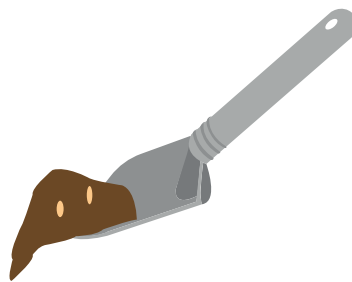

Make a mud pie with your bucket and spade

How far can you throw your flyer?

Collect sticks and leaves and make a bug house

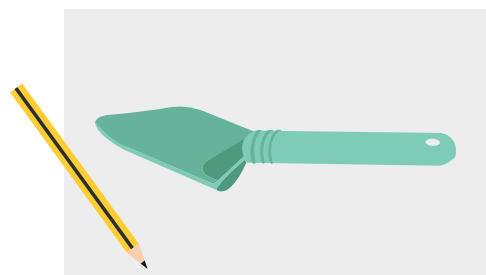

Plant some seeds with your spade

How long can you spin your flyer on your finger?

Build a castle with anything you can find and your bucket

Draw around your spade and turn it into something new

What is the smaller gap you can fit your flyer in?
